

Privacy Policy and Submitting Unsolicited Ideas

Muro Studios Oy

Updated January 7 , 2019

This Muro Studios Privacy Policy provides information on how Muro Studios collects and processes personal and nonpersonal data, and how it uses that data. This Privacy Policy applies to all our games on all platforms and our website located at <http://www.muostudios.com>.

Please notice that by using Muro Studios' game services or our website, you are expressing your agreement to this Policy and the processing of your data, including your personal information, in the way described in this Policy. If you do not agree to these terms, please do not use our services.

We reserve the right to change this Policy at any time so please check this page on a regular basis so that you remain aware of what information we collect and how we use it.

If we decide to change this Policy, the changes will be updated to this document and they will take effect immediately.

What Information Do We Collect

We collect both personal data and nonpersonal data. By personal data, we mean any information that directly identifies you, such as:

- Personal data you have chosen to provide directly in connection with Muro Studios' game.
- Personal data you have made available via a third party service, such as Facebook or
- GameCenter.

The personal data can include, but is not limited to your name, email address, gender and Birthday.

By nonpersonal data, we mean all the information we collect that does not enable you to be identified, such as information related to your usage of:

- Muro Studios' games including but not limited to: game progress, your device information, your purchase history, your language settings, your IP address, and your approximate location.
- Muro Studios website, including but limited to the web pages you view and the times you view them and information about the browser you are using.

Third Party Services and Cookies

Muro Studios may disclose the collected personal and nonpersonal data to third parties for purposes of analyzing usage of Muro Studios' website and game services and for advertisement Serving.

Our website may include third party cookies from analytics services that track the use of the website. Our game services may also contain third party tracking tools from our service providers which may use cookies, APIs, and SDKs in our services to enable them to collect and analyze user information on our behalf.

Please notice that the third party analytics companies utilized by Muro Studios may combine the information collected with other information they have independently collected from other services or products relating to your activities. These companies collect and use information under their own privacy policies.

Why Do We Use This Information

We collect and use personal and nonpersonal data in order to develop and improve our services. We use the data to communicate with our customers, to keep our players informed about our services and to serve our players in game related issues.

By collecting game data of every interaction our players make with the game and with other players inside the game, we can learn about our target audience, how our services are being used and therefore how to improve our services based on this information.

If you choose to provide your personal data (such as your email address) in connection with a Muro Studios game or our company's website, we may use that personal data individually or combined with collected nonpersonal, to contact you about your gaming experience with Muro Studios games, notify you about company news, promotions and third party products.

Data Storing and Security

Access to the personal data collected by Muro Studios is protected by both technical and physical means. We store and process your personal data (if you have provided us any) located in USA and/or EU. If you object to your personal information being collected or used in the way described in this document, please do not use the Muro Studios' services.

Disclosure of Information to Third Parties

Muro Studios does not share your personal data to third parties other than for purposes described in this document unless:

- You have expressed your consent to do so.
- The disclosure is required by legislation.
- The disclosure is necessary for detecting and preventing fraud or security breaches.

To be absolutely clear, Muro Studios may disclose the collected personal and nonpersonal data to third parties such as advertisers, publishers, business partners and sponsors for purposes of analyzing usage of Muro Studios' website and game service and for advertisement serving.

Opting Out of Marketing

If you wish not to receive any promotional emails from us, you may optout by following the instructions in those emails or by sending us email to support@murostudios.com. In case you choose to unsubscribe from promotional emails, please notice that we may still send you nonpromotional emails, such as emails about your accounts or our ongoing business relations.

Policy Regarding Children under 13 Years Old

If you are under the age of 13, you should ask for your legal guardian's permission to play our games before starting. We do not knowingly collect personal data from anyone under the age of 13. If you are under 13, please do not use any of the features of our games that require you to provide personal data to us.

Unsolicited Idea Submission Policy

Muro Studios welcomes feedback regarding any area of our existing games and business. You may send us feedback by email to support@murostudios.com. We are always happy to hear how our current games work.

Any feedback you provide us shall be considered nonconfidential and we may use such information freely.

Please note that Muro Studios or any of its employees do not accept or consider unsolicited ideas. This includes original creative artwork, suggestions or other works in any form to Muro Studios or any of its employees. We do not read or consider ideas for new games, names, stories, characters, design or improvements to technologies, plans and process for making, marketing or commercializing digital works or entertainment in any form.

The purpose of this policy is to avoid potential misunderstandings or disputes when our products or marketing strategies might seem similar to ideas submitted to Muro Studios. If you submit ideas in spite of our policy, you agree to the following terms regardless of the content of your communication:

1. We have no obligation to review your submission or keep the communication confidential
2. You agree we will be free to copy, disclose, distribute, incorporate and otherwise use such material for any and all purposes.
3. Your submissions and their contents will automatically become the property of Muro Studios, without any compensation to you.
